

XYZ Life Insurance Company
Disclosure Document

Important Information

The information provided in the accompanying presentation is intended to serve as a basis for further discussion with your financial, legal, tax and/or accounting advisors. It is not a substitute for competent advice from these professional advisors. The material provided is designed to generally illustrate the uses of the concepts discussed. Your attorney, tax advisor or accountant should be consulted regarding the application of legal, tax or accounting concepts to your particular situation. The company or companies listed below are not authorized to practice law or to provide legal, tax, or accounting advice.

Although great effort has been taken to provide accurate data and explanations, and while the sources are deemed reliable, the information that follows should not be relied upon for preparing tax returns or making investment decisions. The information has neither been audited by nor verified by the company or companies listed below and is therefore not guaranteed by them as to its accuracy.

If a numerical analysis is shown, the results are neither guaranteed nor projections and actual results may differ significantly. Any assumptions as to interest rates, rates of return, inflation, or other values are hypothetical and for illustrative purposes only. Rates of return shown are not indicative of any particular investment, and will vary over time. Any reference to past performance is not indicative of future results and should not be taken as a guaranteed projection of actual returns from any recommended product.
